

2th August 2014

Dear Sir / Madam,

Planning reference: p 2013 0600

Welsh Government reference: H6955/4/4/22/216

Description: part of field west of common road farm
and south of Bordes Road / Common Road, Llanelli

I would really like you to ~~say~~ say no to
this appeal as if they chose to crack then
this could have health implications. When
they crack the rock the earth could make a
big hole. This means that homes could
fall down.

The people who live by the site might not
be able to live near home

From
