Gareth,

Thank you for your email.

I can confirm that the council will not require a further application to change the colour of the doors on the approved building to signal grey. I am satisfied that this can be dealt with as a minor amendment to the approved scheme.

I will place a note on our file to this affect. Should you wish to discuss this further please do not hesitate to contact me.

Kind regards

From: Price, Gareth [<mailto:PriceG@BV.COM>]

Dear Philip,

Further to our telephone conversation on Wednesday I was wondering if you had the opportunity to check whether it will be possible for us to change the colour of the external doors to 'Signal Grey'?

I understand that our site team are hoping to place an order for the doors shortly so your response would be very gratefully received.

Thanks and Kind Regards,

Gareth
