For the attention of Matthew Phillips

Dear Sir

**RE: ERECTION OF STABLE BLOCK AND POULTRY SHED AT 6 THE
ELMS, TALLARN GREEN, MALPAS
YOUR REF: P/2011/0348**

Details of ecology required under condition 3.

We refer to the above planning permission reference P/2011/0348 and specifically to condition 3 which requires the submission of an ecological mitigation measures prior to commencement of development.

The applicants have now prepared such a Mitigation Statement and four copies are attached for your attention.

You will note that the condition requires written agreement of the Local Planning Authority to this Statement. We therefore look forward to receiving written confirmation in order that development can commence on site.

Yours faithfully
