Morning Matthew

Application 2014-0241
49 dwellings at Pont Adam Crescent, Ruabon, LL14 6EG

Following your email of the 18th June, we have considered the information provided in the Highway Consultation response from your colleague Peter Douthwaite.

In order to seek to resolve the outstanding issues, our Highway Consultants Axis undertook further on site traffic surveys on Monday 23rd June. I attach a copy of the subsequent report 'Response to Highway Consultation Comments - Technical Note 1', which seeks to respond to the specific concerns.

I trust that this assists in your consideration of the project, and that the scheme can now move forward with a recommendation for approval.

I am aware that a meeting has been set for the 2nd July, but please come back to me if there any outstanding concerns or issues in advance of this meeting.

Thanks

Regards
Nigel Thorns
