

The floor plan illustrates a symmetrical 10-unit residential building. The central corridor, marked with 'st.' for stairs, provides access to five units on each side. Each unit is equipped with a bedroom, a bathroom, and a home office. The units are labeled with their respective room names and dimensions. The central entrance area features a staircase and a small reception area. The overall dimensions of the building are 4,180 units wide and 4,320 units deep.

Unit	Bedroom 1	Bedroom 2	Bathroom	Home Office
Top Left	4,300	3,240	3,100	3,200
Top Right	4,300	3,240	3,100	3,200
Middle Left	4,180	3,240	3,100	3,200
Middle Right	4,180	3,240	3,100	3,200
Bottom Left	4,320	3,240	3,100	3,200
Bottom Right	4,320	3,240	3,100	3,200

This architectural floor plan shows a rectangular building layout. A central vertical corridor provides access to various rooms. On the left side, there is a kitchen with a sink and stove, a living area with a fireplace, and two bedrooms. On the right side, there is a large living area with a fireplace, a dining area, and a bedroom. The plan also includes a bathroom, a central hall, and several closets. The drawing uses fine lines to represent walls, doors, and furniture, with some areas shaded to indicate different materials or finishes.

The floor plan shows a rectangular layout with a chimney on the right wall. The rooms are labeled as follows:

- Lounge:** Located at the bottom left, with a width dimension of 2500.
- Bedroom 2:** Located at the bottom right, with a width dimension of 2510.
- Bedroom 1:** Located in the upper middle section, with a width dimension of 2500.
- Kitchen/ Dining:** Located in the upper left section, with a width dimension of 2510.
- WC:** Located between the Kitchen/Dining and Lounge areas.

The plan also shows a staircase between the Lounge and Kitchen/Dining areas, and a chimney on the right wall.

Architectural elevation drawing of the rear of a house. The drawing includes the following annotations:

- Blue Grey slates (pointing to the main roof)
- White painted render (pointing to the upper wall section)
- Blue Grey slates (pointing to the lower wall section)
- First floor level (2090) (pointing to the first floor line)
- Ground floor level (pointing to the ground level line)
- Existing blue Grey slates repaired (pointing to the chimney stacks)
- Chimney stacks retained & repaired (pointing to the chimney stacks)

A line drawing of a house with a gabled roof and a chimney. The roof is labeled 'Blue Grey slates' and the chimney is labeled 'Blue Grey slates'. The house has three windows on the front facade and a chimney on the right side. The drawing is oriented vertically, with the roof at the top and the chimney on the right.

[illegible]

Foul waste to connect into existing stub branch from foul drainage installation on adjacent development.

Grey slates

Black painted brick

Ground floor level

Side elevation drawing of a house. The drawing shows a side wall with a chimney on the right side. There are two windows: a smaller one on the left and a larger one on the right. The roof is gabled. A dashed line indicates the ground level. Labels include 'Side elevation' on the left, 'White painted render' pointing to the main wall, and 'Black painted brick' pointing to the base of the wall.

Side elevation

The diagram is a detailed architectural floor plan of a building. It features several rooms and corridors. The walls are color-coded: solid blue lines represent existing masonry walls, while dashed blue lines represent new masonry walls. A dotted blue line indicates a flat roofed structure. The plan includes labels for 'Existing structure retained', 'New masonry walls', and 'Flat roofed structures'. The layout shows a central corridor connecting various rooms, with some rooms having multiple windows or doors. The overall structure is rectangular with some internal divisions and external extensions.

- Roof - Blue grey slates to match existing.
- Ridge tiles - Blue grey to match existing.
- Rainwater goods - Cast iron in black finish.
- External walls - Render to match existing, painted white.
- Doors & Windows - New timber double glazed windows & doors
- New solid timber doors to main entrance
- All to be painted black.
