Subject: All-weather Area for Horse Riding Use, 4 Llys y Pant, Rhos (Ref. P/2012/0737)

Dear Simon,

Please find attached a letter report detailing proposed Great Crested Newt Reasonable Avoidance Measures along with habitat enhancement (hedge planting). This letter report is provided as further information in support of a planning application for an all-weather area for horse riding (Ref. P/2012/0737). Should you require any further information please give me a call. I have taken the liberty of copying this email to Emma Broad.

Kind regards,

Tom
