Simon,

Further to our site meeting on 18 February 2013 at Pendine Park, please find attached the Arboricultural Impact Assessment in support of planning consent for the proposed kitchen, laundry and stores as requested by Moray Simpson.

As you will note, all proposed works are outside the designated root protection areas of all trees and the no adverse development impacts are anticipated.

I have included a tree planting plan at appendix four which details the parkland trees as discussed on site with Moray and Richard. Plan also attached separately.

If you have any queries, please do not hesitate to contact me.

Regards

Alistair
