## **YOUR COMMENTS ON THE CASE**

Please provide your representation below.

**Please include comments sent previously in response to original application.**

**In addition I would like to make the following comments:-**

**Section 15 indicates that the land is currently being used as a paddock for horses and has been for the last 20 years, This is not the case horses have not been on this site for a number of years.**

**Section 12 makes reference to the installation of a septic tank; it is unlikely that the sub soil is suitable for the installation of a septic tank. Adjacent properties were unable to install septic tanks when built.**
