I'd have a job justifying a refusal on this now - I'll get a revised response across to you asap

Simon,

Sorry for the delay in coming back to you. I have only just now received a response from our sales team. If they were to reduce the size of the sign to the attached plan would that be more appropriate to gain an approval?

Regards,

Phil.

Simon,

I think this is just a typing error on your letter and the highways comments. The sign is actually only 3.05m not 30.5m as per the attached plan which was included with the submission.

Can you let me know if that is the case before I send this down to my sales department. I'm sure they will ask me the same question.

Thanks,

Phil
