

CONDITIONS RECOMMENDED BY THE LOCAL PLANNING AUTHORITY

1. The development hereby permitted shall be commenced before the expiry of five years from the date of this permission.
2. The development shall only be carried out in strict accordance with the details shown on the approved drawing(s) B062/001B, 003D, 005 and as contained within the application documentation.
3. Prior to their use on the development samples of all external facing and roofing materials shall be submitted to and approved in writing by the Local Planning Authority. The development shall only be carried out in strict accordance with such details as are approved.
4. The site shall be developed in accordance with the ground and / or floor levels indicated on the approved plans. No changes to floor levels or external ground levels shall be made without the prior written approval of the Local Planning Authority.
5. Each new dwelling hereby permitted shall be constructed to achieve a minimum Code for Sustainable Homes Level 3 and achieve a minimum of 1 credit under category 'Ene1 - Dwelling Emission Rate' in accordance with the requirements of the Code for Sustainable Homes: Technical Guide Version 3. The development shall be carried out entirely in accordance with the approved assessment and certification.
6. Construction of any dwelling hereby permitted shall not begin until an 'Interim Certificate' has been submitted to the Local Planning Authority, certifying that a minimum Code for Sustainable Homes Level 3 and a minimum of 1 credit under 'Ene1 - Dwelling Emission Rate', has been achieved for that individual dwelling or house type in accordance with the requirements of the Code for Sustainable Homes: Technical Guide Version 3.
7. Prior to the occupation of the individual dwelling hereby permitted, a Code for Sustainable Homes 'Final Certificate' shall be submitted to the Local Planning Authority certifying that a minimum Code for Sustainable Homes Level 3 and a minimum of 1 credit under 'Ene1 - Dwelling Emission Rate', has been achieved for that dwelling in accordance with the requirements of the Code for Sustainable Homes: Technical Guide Version 3.
8. No land drainage run-off or surface water shall be permitted to discharge or connect to the public sewerage system, either directly or indirectly, and foul and surface water shall be drained separately from the site.
9. All works in relation to the implementation of this permission, including deliveries to and / or leaving the site, shall be undertaken only between the hours of 7.30 and 18.00 Monday to Friday, and 08.00 to 14.00 on a Saturday, and at no time on a Sunday or a Bank Holiday.
10. Within one month of commencement of development details of boundary wall design, materials and pointing and driveway surfacing shall be submitted to and approved in writing by the Local Planning

Authority. The development shall not be brought into use except in strict accordance with such details as are approved.

11. No part of the development shall commence until an Ecological Assessment as carried out by a qualified ecologist has been submitted to and approved in writing by the Local Planning Authority. The report shall include an Ecological Method Statement demonstrating / identifying any measures of protection / compensation / mitigation and demonstrate management in the short or long term with particular regard to slow worms. The recommendations as approved shall be implemented in strict accordance with timescales to be agreed before any part of the development commences on site.

- 12-17 Highway conditions as set out on attached memorandum dated 5/11/2012.

Notes to applicant:

The applicant is advised that compliance with condition no. 9 does not provide an exemption from the statutory noise nuisance provisions of the Environmental Protection Act 1990. Any complaints received relating to noise from the development during the permitted hours may still be investigated using the Council's Standardised Procedure for Dealing with Noise Nuisance Complaints and legal action may be taken where appropriate.

The applicant is advised that the Council has the option to control construction noise by serving a Control of Pollution Act 1974, Section 60, Notice where deemed necessary, and failure to comply with such a Notice can result in prosecution. For further information and advice regarding construction noise please contact the Council's Housing and Public Protection Department on 01978 315300.

Burning of waste generated from construction activities is not considered to be an appropriate method of disposal and action may be taken as follows:

- Under the Environmental Protection Act 1990 anyone found disposing of construction site waste by burning is likely to be in breach of their duty of care with regard to waste disposal;
- Under the same Act an abatement notice may be served where smoke is judged to be causing a nuisance to neighbouring properties. Failure to comply with the requirements of the notice can result in prosecution;
- Under the Clean Air Act 1993 it is an offence for a commercial activity to burn anything that gives rise to dark smoke.

To prevent offences under the above named Acts there should be no bonfires on the site, to include the prohibition of the burning of cleared vegetation. The applicant should contact the Council's Housing and Public Protection Department on 01978 315300 for further advice and information.

The Applicant is advised that under the Environmental Protection Act 1990, dust from construction and/or demolition activities can be judged to be causing a statutory nuisance to neighbouring properties. A legal notice can be served requiring that any dust nuisance is abated and failure to comply with the requirements of the notice can result in prosecution. The applicant

should contact the Council's Housing and Public Protection Department on 01978 315300 for further advice and information.

Your attention is drawn to Highway Supplementary Notes Numbered 1, 3, 4 and 5 on the enclosed "Applicants' Rights and General Information".

You are advised that the planning permission hereby granted does not authorise any building over, diversion, connection or other interference with any sewer, public or private, which crosses the site. You are advised to contact Welsh Water, PO Box 10, Treharris, CF46 6XZ (Tel: 01443 331155) in this regard, prior to undertaking any groundwork in connection with the development. Should you be required to depart from the details hereby approved, you should contact the Council's planning department to seek further advice with regard to the submission of amended plans and / or a new planning application.

The comments of Welsh Water and the Environment Agency are enclosed.

There shall be no interference with any public or private right of way within, or adjacent, to the application site.
