Importance: Low

Morning Mathew.

Further to the approval for the Marley roof finish and in part response to condition No. 2 (approval of materials), for the wall finishes we propose to use the following:

- **Main Wall = facing brick in Ibstock Chester Red Blend (3596).**
- **Soldier course to heads and cills to the rear of the units (where we haven't got the conc. cills and heads) = Ibstock 'Hardwicke Minster' – Cream Blend (2419).**
- **Render = K Rend Silicone FT 'Sterling White'.**

I'll bring the samples down later this morning.

Any queries, let me know.
Thanks.

Regards

Gareth Jones
