YOUR COMMENTS ON THE CASE

Please provide your representation below.

In addition to the previous objections I have made I would also like to add that the addition of another food outlet will also add to the delivery/service vehicles required to support this unit. We currently have several large vehicles attending which are so large that they have to mount the kerb (potato deliveries etc) for parking. The service access is round the back of the shop(s) and uses/blocks a small road which has many older citizens. The increase in this type of traffic will be both a nuisance and also a potential hazard as some infirm folk will be required to enter the road (instead of using the pavement) which could lead to injury or accident with road users.
