Matthew,

Please find attached section drawing as requested.

I can confirm no external illumination is proposed.

Many thanks

Dafydd,

Conservation have requested some additional plans/details to accompany the application:

- i) a cross section of the frontage from sill level of the first floor window to pavement level (1:20 scale is the norm for this type of plan);
- ii) If external illumination is proposed it should be shown on the section as well the elevation drawing. If no external illumination is proposed this simply needs to be confirmed.

Regards

Matthew
