Date: 25th August 2025

Service Plan - Proposed Dog Grooming Business at Tan Y Berth, Tyn Y Cestyll Road, Glyn Ceiriog, Llangollen, LL20 7NL

Staff Numbers

The business will employ 1no. person only who will be Mr Josh Holmes, who is the owner and occupant of the adjacent house Tan-Y-Berth. No other people will be employed or work from the property.

Customer Numbers

The business model is based upon 3no. customers per day and as such 3no. dogs per day.

Duration of Appointments

The duration of each appointment is expected to be approximately 2 hours from start to finish depending upon the breed of dog that is being groomed.

One dog only will be groomed at any one time and no other dogs will be present during that time.

Appointments will be set to allow for drop off and collection of dogs allowing 15-30 between each appointment. This time will be used to clean down equipment and areas and also allow for the customers to leave the premises in sufficient time, allowing the next customer to arrive without any risk of overlap or clash.

Parking

There is a driveway directly outside the proposed unit which will allow for one vehicle to park at any one time. This will only be for a short period whilst the dogs are dropped off and collected. This allows for vehicles to be parked off the road.
