Dear Mr Thomas,

BWRIAD/PROPOSAL: AMRYWIO AMODAU 2 A 3 CANIATÂD CYNLLUNIO P/2023/0226 I YMESTYN TERFYN AMSER AR GYFER CYCHWYN DATBLYGIAD / VARIATION OF CONDITIONS 2 AND 3 OF PLANNING PERMISSION P/2023/0226 TO EXTEND TIME LIMIT FOR COMMENCEMENT OF DEVELOPMENT

LLEOLIAD/LOCATION: Land North of Bethania Road, Acrefair, Wrexham, LL14 3UD

Thank you for consulting Cyfoeth Naturiol Cymru (CNC)/Natural Resources Wales (NRW) about the above, which we received on 27 August 2025.

We have concerns with the application as submitted. To overcome these concerns, further consideration is required regarding foul drainage. Further details are provided below.

Protected Sites

The proposed development could potentially lead to an increase of phosphorus load from the receiving wastewater treatment works into the River Dee and Bala Lake Special Area of Conservation. The majority of the River Dee catchment in Wales is currently failing to meet water quality targets for phosphorus. The nutrient impacts of new connections need to be considered on a case-by-case basis within the Habitats Regulations Assessment process. Whilst NRW permitting service has completed a Review of Water Company Discharge Permits we are currently undertaking further data analysis for the River Dee following a number of enquiries and questions from stakeholders and several ongoing Appeals. We will be able to provide further advice to your Authority once we have concluded the review.

Protected Species

No ecological information has been submitted in support of this application. We recommend you seek the advice of your Authority's ecologist about the requirement for further information to be submitted in support of the application, and to scope the need for bespoke surveys, where required

Other Matters

The advice in this letter relates to matters which are included on our consultation topics list. We do not rule out the potential for the proposed development to affect other environmental interests that are not included on this list.

We advise the applicant that, in addition to planning permission, it is their responsibility to ensure they secure all other permits/consents/licences relevant to their development. Please refer to our website for further details.

If you have any queries on the above, please do not hesitate to contact us.

Yours faithfully,

Gareth Thomas
