Dear Tyler Fox,

Proposal: Change of use of land to car park

Location: Trevor Basin, Off Station Road, Trevor, Llangollen

Waterway: Llangollen Canal

Thank you for your consultation.

We are the charity who look after and bring to life 76 miles of canals in Wales. Our waterways contribute to the health and wellbeing of local communities and economies, creating attractive and connected places to live, work, volunteer and spend leisure time. These historic, natural and cultural assets form part of the strategic and local green-blue infrastructure network, linking urban and rural communities as well as habitats. By caring for our waterways and promoting their use we believe we can improve the wellbeing of Wales. The Trust is known as Glandŵr Cymru, the Canal & River Trust in Wales and we are a statutory consultee in the Development Management process.

We advise that Glandŵr Cymru, the Canal & River Trust in Wales is the applicant for the above application. The potential impact of the proposal on the Trust's assets and interests has been taken into account in the preparation of the application and therefore in view of our significant interest and involvement in the proposal, the Trust has no comments to make as statutory consultee.

Please do not hesitate to contact me with any queries you may have.
