**Ellie Jones**

**To:** Sharon Williams
**Subject:** RE: Invalid Letter - Response

*Thank you for passing this on.*

*The location plan and site plan have now been amended to include the site access. Please see attached.*

*There are no public rights of way, trees or other constraints affecting the site. The parking arrangements will not affect the proposed temporary building, as the location of the temporary building is currently used for open storage and trailers, and there is no proposed change to the provision of parking.*

*To confirm the proposed external colours are white (1F4) PVC roofs and Grey (RAL 7035) Walling.*

**Jamie Cunningham**
