2. To comply with Section 91(3) of the Town and Country Planning Act, 1990.
3. To ensure the development delivers net benefit to biodiversity in accordance with paragraph 6.4.5 of Planning Policy Wales 12.
4. To comply with the provisions of the Town and Country Planning (Development Management Procedure) (Wales) Order 2012.
5. To ensure that the risks to the future occupants/users of the site and to the local environment associated with contamination at the site have been assessed and, where necessary, appropriately remediated, in accordance with Policy DM1 of the Wrexham Local Development Plan and paragraph 6.9.17 of PPW12.
6. To ensure that the risks to the future occupants/users of the site and to the local environment associated with contamination at the site have been assessed and, where necessary, appropriately remediated, in accordance with Policy DM1 of the Wrexham Local Development Plan and paragraph 6.9.17 of PPW12.

Note(s) to applicant

Further advice on compliance with conditions 5 and 6 may be obtained by contacting the Council's Contaminated Land Officer on 01978 298771 or 297773. Should the investigation identify contamination issues that may affect receptors other than the site users e.g. groundwater, then it is recommended that these works are also addressed in consultation with the Contaminated Land Officer prior to commencement of works on site.

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848. Further information is also available on the Coal Authority website at: www.gov.uk/government/organisations/the-coal-authority
