# GREEN INFRASTRUCTURE STATEMENT

**Date**: 07/07/2025

**Project Number:** 25-02

**Client:** Mr Sam Ansloos

**Address**: 11 Hill Street, Rhos LL14 1LN

**Project Type**: House Extension

## Existing Infrastructure

The site is accessed from Hill Street, via a bus layby. The current site is a mix of gravel and earth and is in a poor condition generally. There is a brick wall on the front and rear boundaries, and a timber fence on the side boundary.

## Proposed Green Infrastructure

We are proposing two develop 2 areas of new grass space at the front and rear of the house – with an area for wildflower and pollinator planting included at the rear. We are also proposing to install a bird box to the East Elevation.

End.
