Annex XIII: Static Caravan Plans

Floor plan of proposed static caravan:

Please note that the layout depicted is indicative. The applicants have yet to source the appropriate static caravan.

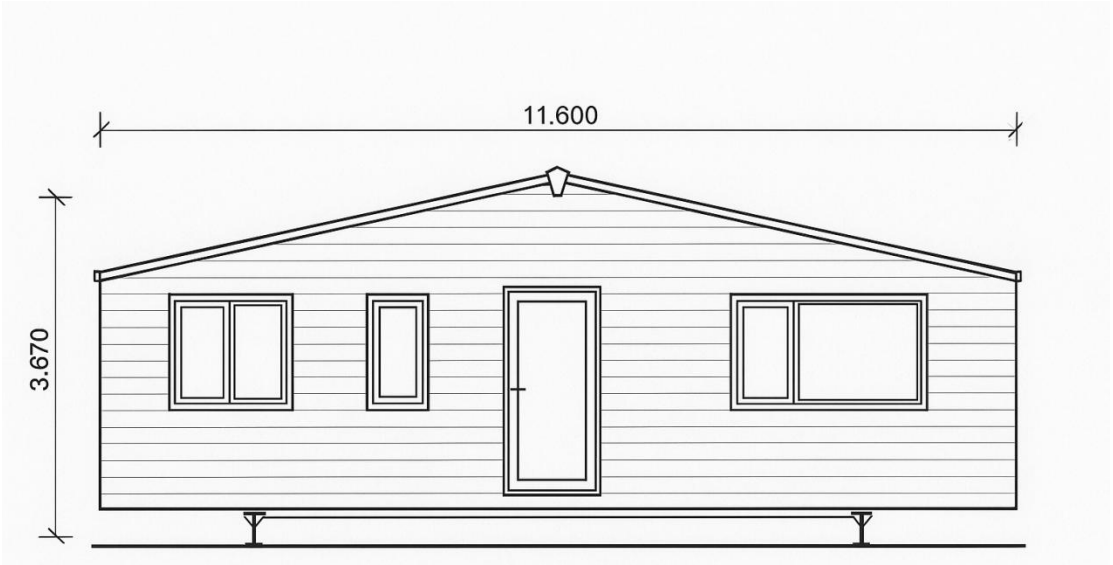

Scale 1:50 @ A4 (indicative only – all dimensions shown on drawing)

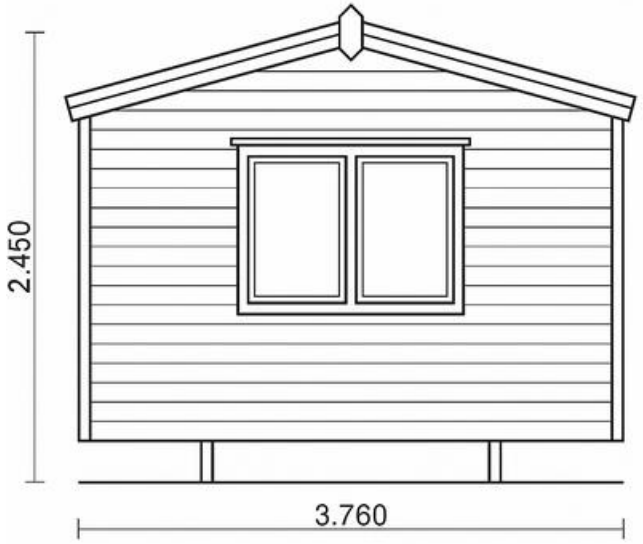

Elevations of proposed static caravan:

Front and side elevation drawings (scaled at 1:100) taken from a similar static caravan model with overall dimensions of 11.58 m × 3.66 m. This elevation represents the proposed caravan to scale.

Please note that proposed static caravan dimensions are indicative and based on standard 3-bedroom agricultural workers' unit sizes. The final specification will be within the stated maximum dimensions of 11.58m x 3.66m.

Side elevation – 1:100

Front elevation – 1:100

Scale 1:100 @ A4 (indicative only – all dimensions shown on drawing)
