The green boundary line denotes the boundary as shown on the original conveyance document dated 16/01/1968. Please refer to the accompaning document "Conveyance 1968". Although this looks unusual, it relates to the original bridleway and footpath being 10ft (3m) wide before it was widened by successive owners of this property. Along with a section of land added in 1993 at the property vehicle entrance, shown with cross hatched fill.
