Good afternoon, Jenni,

Regarding the application referenced above.

The proposed work will encroach on the Offa's Dyke scheduled Monument - Offa's Dyke: Vron Farm Section (DE113) and I can see from the information provided that scheduled monument consent has been sought.

From an archaeological point-of-view, I presume Cadw will require some monitoring of the work involving the monument and I have attached our guidelines for Archaeological Monitoring and Recording, which may be of use.

Do keep in contact over this application please.

Kind regards,

Neil

Heneb
