Hi Gwyn,

Thanks for the email.

Would within 12 months from now be acceptable, just to allow for relevant construction work to take place near to planning area and to allow for relevant planting season to come around next year?

Hi Carl,

I believe I am now in a position to move the above application forwards.

I have just noticed that I can't see any proposed implementation timeframe for the landscaping works. Could you please provide a suitable timeframe to allow me to proceed?

Many Thanks,

Gwyn
