

Landscaping
Soil
All garden areas of front and rear of dwelling to be laid to seed prior to completion, to provide a good quality grassed lawn.
Low level shrub planting to be used to complement lawn at the discretion of the occupier.

Hard
Car parking area to be laid with hardwearing finish to provide good quality surface for occupants to use.
To be laid to the lowest durability and finish.
Pathways to front, both sides and rear of development to be laid with hard concrete paving slabs. Paved areas to be laid with light grey or white contrasting to the overall pavement colour.
