Subject: FAO Nichola Davies P/2021/0358

Good afternoon Nichola,

With regard to your letter dated (02/06/21) & after consultation with Mark Walters of CPAT, please find attached detailed plans of proposed extension & letter from CPAT regarding the proximity to the Offa's Dyke.

As outlined in plans & letter, the boundary fence which divides the dyke and our garden, will not be infringed upon, could I also mention that a previous meeting with Will Davies of CADW concluded that the metre or so beyond the boundary fence had already been disturbed by the outbuildings of the former grammar school.

I hope this is of some help to you, hopefully we can resolve this as quickly as possible.

Kind regards

Kevin Jones
