CONSTRUCTION (DESIGN & MANAGEMENT) REGULATIONS 2015
Designer Risk Assessments are carried out throughout the design and where reasonably possible all areas of risk applicable to the design and end use of the construction have been identified and eliminated, mitigated or recorded as a residual risk.
Note that general risks of which a competent contractor should be aware of are not included. This document is to be read in conjunction with all pre-construction information made available by the Client and Principal Designer in accordance with the Construction (Design & Management) Regulations 2015.
