Dear Sir/Madam,

TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT PROCEDURE) (WALES) ORDER 2012:

LAND OFF HAFOD ROAD, HAFOD, RUABON, WREXHAM

INSTALLATION OF GROUND-MOUNT SOLAR SCHEME AND ASSOCIATED INFRASTRUCTURE

I refer to your consultation of 12/11/2025 regarding the above planning application and advise that the Welsh Government as highway authority for the A483 trunk road directs that any permission granted by your authority shall include the following condition:

1) The applicant shall submit to the Local Planning Authority a suitable form of screening along the site boundary that is adjacent the northbound on-slip of the A483 to mitigate the risk of glint and/or glare creating a distraction to northbound vehicles accessing the A483. The screening shall be contained within the applicant's land and installed at their expense, and shall be to the satisfaction of the Welsh Government as the Overseeing Organisation for the Strategic Road Network (SRN).

The above condition is included to maintain the safety and free flow of trunk road traffic.

If you have any further queries, please forward to the following Welsh Government Mailbox NorthandMidWalesDevelopmentControlMailbox@gov.wales

Yours faithfully
