Subject: FAO: Tyler Fox RE: P/2025/0931 - LAND AT GRANGE ROAD, GRANGE ROAD, PENLEY

Good afternoon, Tyler,

Having consulted the information held within the Historic Environment Record, available LIDaR and aerial photography, I can confirm that there are no obvious archaeological implications for the proposed work.

However, Cadw should be consulted due to the building's location within the Maelor - Registered Historic Landscape - HLW (C) 7, and its potential visual impact on the area.

Kind regards,

Neil
