NEW BIODIVERSITY MEASURES – 21 GREEN PARK, WREXHAM, CLWYD, LL13 7YE

The homeowner has purchased a Hedgehog nest box produced by Chapel Wood. Nature care (Hedgehog Home) and a 'Nature's Market Insect Hotel'

On the site plan (attached) I have marked the proposed location of these together with a proposed Wildlife pond. Our western boundary has an open post & rail fence which gives onto Erddig Park, National Trust Estate and provides easy animal access into our garden.
