Subject: Section 184 / Section 171 Licence Application – P/2024/1560

Dear Sir / Madam,

Please find attached the submitted drawings and supporting documents in support of an application for Section 184 consent (and associated Section 171 licence) to construct the approved vehicular access.

The submitted information is provided to support the approved access arrangements forming part of Condition 16 (Access) of planning permission P/2024/1560.

This application is made further to the Local Highway Authority consultation response ref. ET/DC/PP/P/2024/1560 Res(2), which confirmed that the proposed access location, construction details and visibility splays are acceptable, subject to the requirement to obtain the necessary Section 184 consent.

The attached documents include the access construction drawings, visibility splay details and associated plans referenced within the Highway Authority response, which is enclosed for completeness.

Please advise how payment of the applicable Section 184 (£206) and Section 171 (£262.50) licence fees should be made.
Should you require any further information or clarification, please do not hesitate to contact me.
Kind regards,
Kyle
