Thank you for the opportunity to supply and install windows & residential door at Rossdene, Castle Street, Holt LL13 9YW. Further to our discussions regarding the style and detail of your proposed installation, please see below our specification.

- 5 x Hardwood timber windows as illustrated
- Primed finish on all windows
- Double rebated
- 90m outer frame depth
- 60mm Sash depth
- 13-14mm Glazing bead depth
- Externally glazed
- Child restrictors throughout
- Antique black Monkey tail handles and stays
- Trickle ventilation
- 28mm double glazed Laminated toughened glass throughout
- 10 year insurance backed guarantee provided
- We will dispose of and recycle where possible all materials associated with your installation

May I please take this opportunity to remind you of the benefits of choosing Crofts Home Improvements.

- Secured by Design products – the official Police Security Initiative.
- Quick, clean installations with minimum disruption, fitted by our team of skilled craftsmen.
- All products are custom made and guaranteed to ensure product quality.
- Shoot bolt locking system including security hinges on all opening vents for maximum security.
- Exceptional customer care both during the installation and for years afterwards.

Thank you for choosing Crofts Home Improvements for your quotation. I will contact you shortly to see if I can be of any further assistance.

Kind regards,

Paul Jones
Director
