Date Received 27/11/2025

Decision Date 26/02/2026

2. The development shall only be carried out in strict accordance with the details shown on the following plan(s) and document(s):
80927/GH/003 - Proposed Block Plan
80927/GH/100 - Proposed Plan & Elevations

3. The external surfaces of the building(s) shall be constructed of the materials specified on 80927/GH/100 - Proposed Plan & Elevations

4. The development hereby permitted shall not be occupied until the measures to deliver net benefit for biodiversity (NBB) shown on Green Infrastructure Statement received on 27/11/2025 have been implemented in full. The measures shall thereafter be maintained for the lifetime of the development.

Reason(s)

1. To comply with Section 91(3) of the Town and Country Planning Act, 1990.

2. To comply with Section 71ZA(2) of the Town and Country Planning Act, 1990.

3. To ensure a satisfactory standard of appearance of the development in the interests of the visual amenities of the area in accordance with Policy GDP1 of the Wrexham Unitary Development Plan.

4. To ensure the development delivers net benefit to biodiversity in accordance with paragraph 6.4.5 of Planning Policy Wales 12.

In pursuance of its powers under the Acts an Orders referred to below, the County Borough Council as Local Planning Authority, hereby determines your application in accordance with the particulars and plans comprising the application

Date Received 27/11/2025

Decision Date 26/02/2026

Note(s) to applicant

All works in relation to the implementation of this permission, including deliveries to and /or leaving the site, should be undertaken only between the hours of 07.30 to 18.00 Monday to Friday, 08.00 to 14.00 on a Saturday, and at no time on a Sunday or a Bank Holiday. Outside these times, any works which are audible beyond the site boundary have the potential to cause unreasonable disturbance to neighbouring premises.

The applicant is advised that the Council has the option to control construction noise by serving a Control of Pollution Act 1974, Section 60 Notice where deemed necessary, and failure to comply with such a Notice can result in prosecution.

The applicant is further advised that any complaints received relating to noise of any type from the development may also be investigated using the Council's Standardised Procedure for Dealing with Noise Nuisance Complaints. This is done under the Statutory Nuisance provisions provided within the Environmental Protection Act 1990, and legal action may be taken where appropriate.

The applicant must adhere to the times given above wherever possible. If, however, there are urgent or unavoidable circumstances requiring work outside of the specified times, permission to proceed may be sought by contacting Environmental Health & Housing Standards at healthandhousing@wrexham.gov.uk or 01978 292040. Please use the same contact details for any other enquiries regarding construction / demolition site noise.

Burning of waste generated from construction activities is not considered to be an appropriate method of disposal and action may be taken as follows:
- Under the Environmental Protection Act 1990 anyone found disposing of construction site waste by burning is likely to be in breach of their duty of care with regard to waste disposal;
- Under the same Act an abatement notice may be served where smoke is judged to be causing a nuisance to neighbouring properties. Failure to comply with the requirements of the notice can result in prosecution;
- Under the Clean Air Act 1993 it is an offence for a commercial activity to burn anything that gives rise to dark smoke.

In pursuance of its powers under the Acts an Orders referred to below, the County Borough Council as Local Planning Authority, hereby determines your application in accordance with the particulars and plans comprising the application

Applicant Harmin Agriculture Ltd

Reference P/2025/0910

Agent Mr Gwyn Humphreys
Mercian House, 9 - 10
Darwin Court, Oxon
Business Park,
Shrewsbury, United
Kingdom, SY3 5AL

Date Received 27/11/2025

Decision Date 26/02/2026

To prevent offences under the above named Acts there should be no bonfires on the site, to include the prohibition of the burning of cleared vegetation. The applicant should contact the Council's Environmental Health & Housing Standards Team on healthandhousing@wrexham.gov.uk or 01978 292040 for further advice and information.

In accordance with Planning Policy Wales (Edition 12) and Technical Advice Note 12 (Design), the applicant is advised to take a sustainable approach in considering water supply in new development proposals, including utilising approaches that improve water efficiency and reduce water consumption. We would recommend that the applicant liaises with the relevant Local Authority Building Control department to discuss their water efficiency requirements.
The proposed development may be subject to Schedule 3 of the Flood and Water Management Act 2010. The development therefore may require approval of Sustainable Drainage Systems (SuDS) features, in accordance with national standards, and is strongly recommended that the developer engage in preapplication consultation with the Local Authority, as the relevant SuDS Approval Body (SAB), in relation to their proposals for SuDS features. Please note, Dwr Cymru Welsh Water is a statutory consultee to the SAB application process and will provide comments to any SuDS proposals by response to SAB consultation.

Ian Jones
