Dear Philip,

PROPOSAL: Installation of two 132kv circuits, two fibre cables and two cables sealing end platforms

LOCATION: Kronospan Ltd, Holyhead Road, Chirk, Wrexham

Thank you for consulting with the Joint Committee on this application. The following observations are submitted on behalf of the Joint Committee.

Whilst there will be some short term landscape and visual effects during construction the proposed development to install cables below ground which is welcomed, and will have no impact upon the AONB or its setting.

The Joint Committee raise no objections.

I would be grateful if you could take account of the committee's views when deciding this application.

Yours sincerely,

Dave Williams
