Dear Sir/Madam,

BWRIAD/PROPOSAL: ERECTION OF DETACHED GARAGE

LLEOLIAD/LOCATION: BRONWYLFA HALL, BRONWYLFA, WREXHAM, LL14 4LD

Thank you for consulting Cyfoeth Naturiol Cymru (CNC)/Natural Resources Wales (NRW) about the above, which we received on 17 February 2026.

We have no objection to the proposed development as submitted and provide the following advice.

Protected Sites

We note the application site is within the catchment of the River Dee and Bala Lake Special Area of Conservation (SAC). In line with our Advice to Planning Authorities for Planning Applications Affecting Nutrient Sensitive River Special Areas of Conservation, under the Habitats Regulations, Planning Authorities must consider the impact of proposed developments on water quality within SAC river catchments.

However, recognising the specific nature of the application submitted, i.e. domestic garage, we are satisfied that there is unlikely to be a source of additional nutrients and/or a pathway for impacts. As such, in our opinion, it would be reasonable for your Authority to screen out this proposal as not likely to have a significant effect on the River Dee and Bala Lake SAC in relation to nutrient inputs.

Ancient Woodland

The application site is within an Ancient Woodland site. Please refer to our Advice to planning authorities considering proposals affecting ancient woodland (published 26 Nov 2021) for further information.

Protected Species

No ecological information has been submitted in support of this application. We recommend you seek the advice of your Authority's internal ecological adviser about the

requirement for further information to be submitted in support of the application, the need for bespoke surveys and the scope of further information, where required.

Other Matters

The advice in this letter relates to matters which are included on our consultation topics list. We do not rule out the potential for the proposed development to affect other environmental interests that are not included on this list.

We advise the applicant that, in addition to planning permission, it is their responsibility to ensure they secure all other permits/consents/licences relevant to their development. Please refer to our website for further details.

If you have any queries about the above, please do not hesitate to contact us.

Yn gywir / Yours faithfully,

Gareth Thomas
