Keymar Wake,

Please consider this letter notification of permission for those personnel listed below, employed by North Wales Wildlife Trust/Enfys ecology to be involved in the following works which are detailed in the method statement associated with the NRW development licence for Great Crested Newts (*Triturus* cristatus) at Wonderbank, Stori Brymbo and under the licence reference S096387/1.

Works to be undertaken by those personnel listed below, as instructed by the Project ecologist and in accordance with the licence method statement, include:-

- **Disturb**
- **Capture and transport**
- **Damage or destroy a breeding site or resting place**

**Personnel permitted to work as accredited agents under the NRW licence**

Accredited agents/ecologists may carry out work under a licence without the personal supervision of the licensee. They must be in possession of this letter and a copy of the NRW GCN licence:

Lucy Boyett, Tim Yardley, Ash Payne, Daisy Askari, Rich Cutts, Joe Franklin, Amber Griffiths, Jane Kingsley and Sophie Johnson,

[redacted]
