Dear Matthew,

PROPOSAL: Installation of Solar Panels

LOCATION: Cae Newydd, Wern, Bersham, Wrexham

Thank you for consulting the AONB on this application. The following observations are submitted on behalf of the Joint Committee:

This retrospective solar panel installation does not adversely impact upon the character and appearance of the AONB. The panels form a linear, slender form of development immediately adjoining and following the line of an existing hedgerow. It lies close to the existing dwelling and farm buildings and does not represent an intrusive isolated feature in the landscape. Views into the site from public viewpoints are limited in this location and as the installation is reversible, there will be no permanent impact upon the open countryside. The Joint Committee therefore raise no objections.

Yours sincerely,

Dave Williams
For the Clwydian Range and Dee Valley AONB Joint Committee
