TOWN AND COUNTRY PLANNING ACT 1990

P/2026/0061 – ERECTION OF DWELLING WITH DETACHED GARAGE

LAND SOUTH OF PENRALLT, RUSSELL STREET, CEFN MAWR, WREXHAM, LL14 3BL

I have reviewed the following report submitted with the above planning application and considered the comments provided in the response submitted by the Coal Authority on the 28 April 2026.

- Coal Mining Risk Assessment for Development at Land adjacent to Russell Street, Cefn Mawr, Wrexham, LL14 3BL. Dated 26/03/26

There is a risk of mines gas being present which could impact the development, consequently it is recommended that a coal mine gas risk assessment is undertaken to ensure that all risks, current and potentially introduced, are comprehensively assessed and then appropriate remedial measures put in place where required.

I would recommend that the following conditions and notes to applicant be applied to any future consent granted.

Conditions

Site Specific Land Contamination Assessment Condition

No development shall take place until a gas risk assessment investigation has been carried out and submitted to and approved in writing by the Local Planning Authority. If remediation measures are required, no part of the development shall commence until a scheme specifying the measures that will be taken to remediate the site to render it suitable for the development hereby permitted has been submitted to and approved in writing by the local planning authority. The site shall thereafter be remediated in accordance with the approved scheme.

WCBC02: ZP02A - Verification Report - Contaminated Land
Each part of the site subject to the remediation under the scheme(s) approved as part of condition @@ shall not be occupied/used until a Validation Report has been completed in respect of that part of the site and submitted to and approved in writing by the Local Planning Authority.

Note to Applicant

A11NA SITE CONTAMINATION
Further advice on compliance with condition no. @@ may be obtained by contacting the Council's Environment and Planning section on 01978 298989 or contaminatedland@wrexham.gov.uk. Should the investigation identify contamination issues that may affect receptors other than the site users e.g. groundwater, then it is recommended that these works are also addressed in consultation with the Council's Environment and Planning section prior to commencement of works on site.

Should you have any queries regarding the above then please contact me on Ext. 8773.
