Thank you for consulting Natural Resources Wales on the above application.

We have reviewed the planning application submitted to us, and from the information provided we do not consider that the proposed development affects a matter listed on our Consultation Topics, *Development Planning Advisory Service: Consultation Topics;* Natural Resources Wales / When to consult Natural Resources Wales about a planning application. We therefore do not have any comment to make on the proposed development.
Please note that our decision not to comment does not rule out the potential for the proposed development to affect other interests, including environmental interests of local importance.

No ecological information has been submitted in support of this application. We note that there are records of bats in the vicinity. We recommend you seek the advice of your Authority's internal ecological adviser about the requirement for further information to be submitted in support of the application, the need for bespoke surveys and the scope of further information, where required.

The applicant should be advised that, in addition to planning permission, it is their responsibility to ensure that they secure all other permits/consents relevant to their development.

We trust that the above comments are of assistance however, should you have any queries, please do not hesitate to contact me.

Kind Regards
Molly Jones
