Description of Proposed Works

Please describe the proposed works

The proposed works comprise internal and external alterations to Achill. Internal works include the removal of an existing modern timber staircase and its replacement with a more sympathetic staircase design. External works include the replacement of existing windows with painted timber windows incorporating slimline double glazing, designed to match the appearance of windows within the adjoining properties Church House and Strode House. The existing render to the South and West elevations is to be removed and the earlier mock ashlar render beneath to either be patch repaired or replaced. Existing uPVC rainwater goods are to be removed and replaced with black cast iron gutters and downpipes. The existing garage is to be fitted with new aluminium bi-fold doors in the existing opening. The existing shed is to be replaced with a new timber shed. and Additional works include resurfacing of the existing driveway, alterations to patio areas, and the partial rendering of the existing boundary wall to the West.
