Wrexham County Borough Council
The Guildhall
Wrexham
LL11 1AY

Dyddiad/Date: 25 June 2026

Annwyl Syr/Madam/Dear Sir/Madam,

**Bwriad/Proposal: Demolition of existing community centre and construction of new building with associated works**

**Lleoliad/Location: Community centre, Prices lane, Wrexham, LL11 2NB.**

Thank you for consulting Cyfoeth Naturiol Cymru/Natural Resources Wales (NRW) about the above, which we received on 10 June 2026.

We have **no objection** to the proposed development as submitted and provide the following advice.

## Protected Sites and Foul Drainage

We note the application site is within the catchment of the River Dee and Bala Lake Special Area of Conservation (SAC). In line with our Advice to Planning Authorities for Planning Applications Affecting Nutrient Sensitive River Special Areas of Conservation, under the Habitats Regulations, Planning Authorities must consider the impact of proposed developments on water quality within SAC river catchments.

Recognising the specific nature of the application submitted, and on the basis of it being a replacement community facility in accordance with our Advice 'What development proposals are unlikely to increase nutrient levels within a river SAC?', we are satisfied that there is unlikely to be a source of additional nutrients and/or a pathway for impacts. As such, in our opinion, it would be reasonable for your Authority to screen out this proposal as not likely to have a significant effect on the SAC in relation to nutrient inputs.

## Protected Species

We note that the information submitted in support of the above application (Bat and Bird Survey Report by Wildbanks Conservation, dated 16th June 2025) has identified that bats

are unlikely to be using the application site. We therefore have no comments to make on the application as submitted in respect of bats.

We recommend that you discuss the need to secure further measures/ avoidance measures with your internal ecological advisor.

## Other matters

The advice in this letter relates to matters which are included on our consultation topics list. We do not rule out the potential for the proposed development to affect other environmental interests that are not included on this list.

We advise the applicant that, in addition to planning permission, it is their responsibility to ensure they secure all other permits/consents/licences relevant to their development. Please refer to our website for further details.

If you have any queries about the above, please do not hesitate to contact us.

Yn gywir / Yours faithfully,

**John Littlemore**
