## PRODUCT DESCRIPTIONS

Our new 20ft x 8ft Shipping Containers in dark green (RAL6007 – Bottle Green) have been built to exacting ISO standards in China and used only once to bring cargo into the UK.

One trip containers are widely used across sectors including construction, retail, agriculture and education, as well as by sports clubs, self-storage operators and homeowners.

They offer a versatile solution for a range of needs, from secure storage and transportation to bespoke conversion projects.

Each container has:

- Exterior hinged double doors at one end
- 1-2 vertical locking bars on each door
- Forklift pockets on both sides
- Gross weight (CSC plated) maximum: 30 ton
- Factory fitted lockbox
- 14 vents to help eliminate condensation
- Sealed Bamboo flooring ideal for self storage usage

A range of container add-ons and accessories, from ply line and insulate to levelling pads, can be selected from the options below to suit your specific needs.
