Annex VII: Static Caravan Plans

Floor plan of proposed static caravan:

Please note that the layout depicted is indicative. The applicants have yet to source the appropriate static caravan.

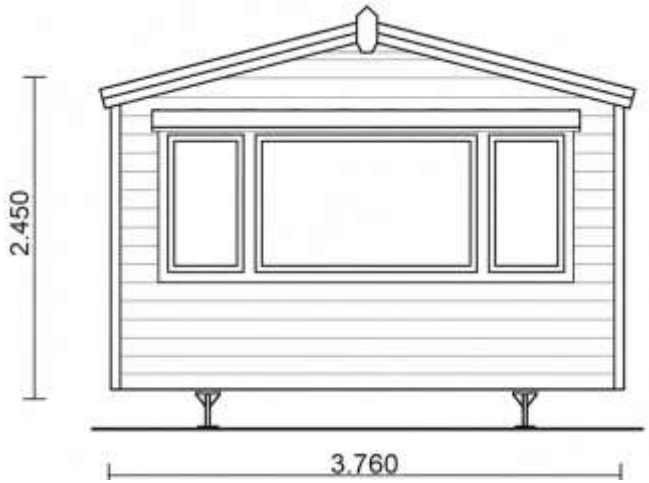

Scale 1:50 @ A4 (indicative only – all dimensions shown on drawing)

Elevations of proposed static caravan:

Front, rear and both side elevation drawings (scaled at 1:100) based on a similar static caravan model with overall dimensions of 11.58 m × 3.66 m. These elevations represent the proposed caravan to scale.

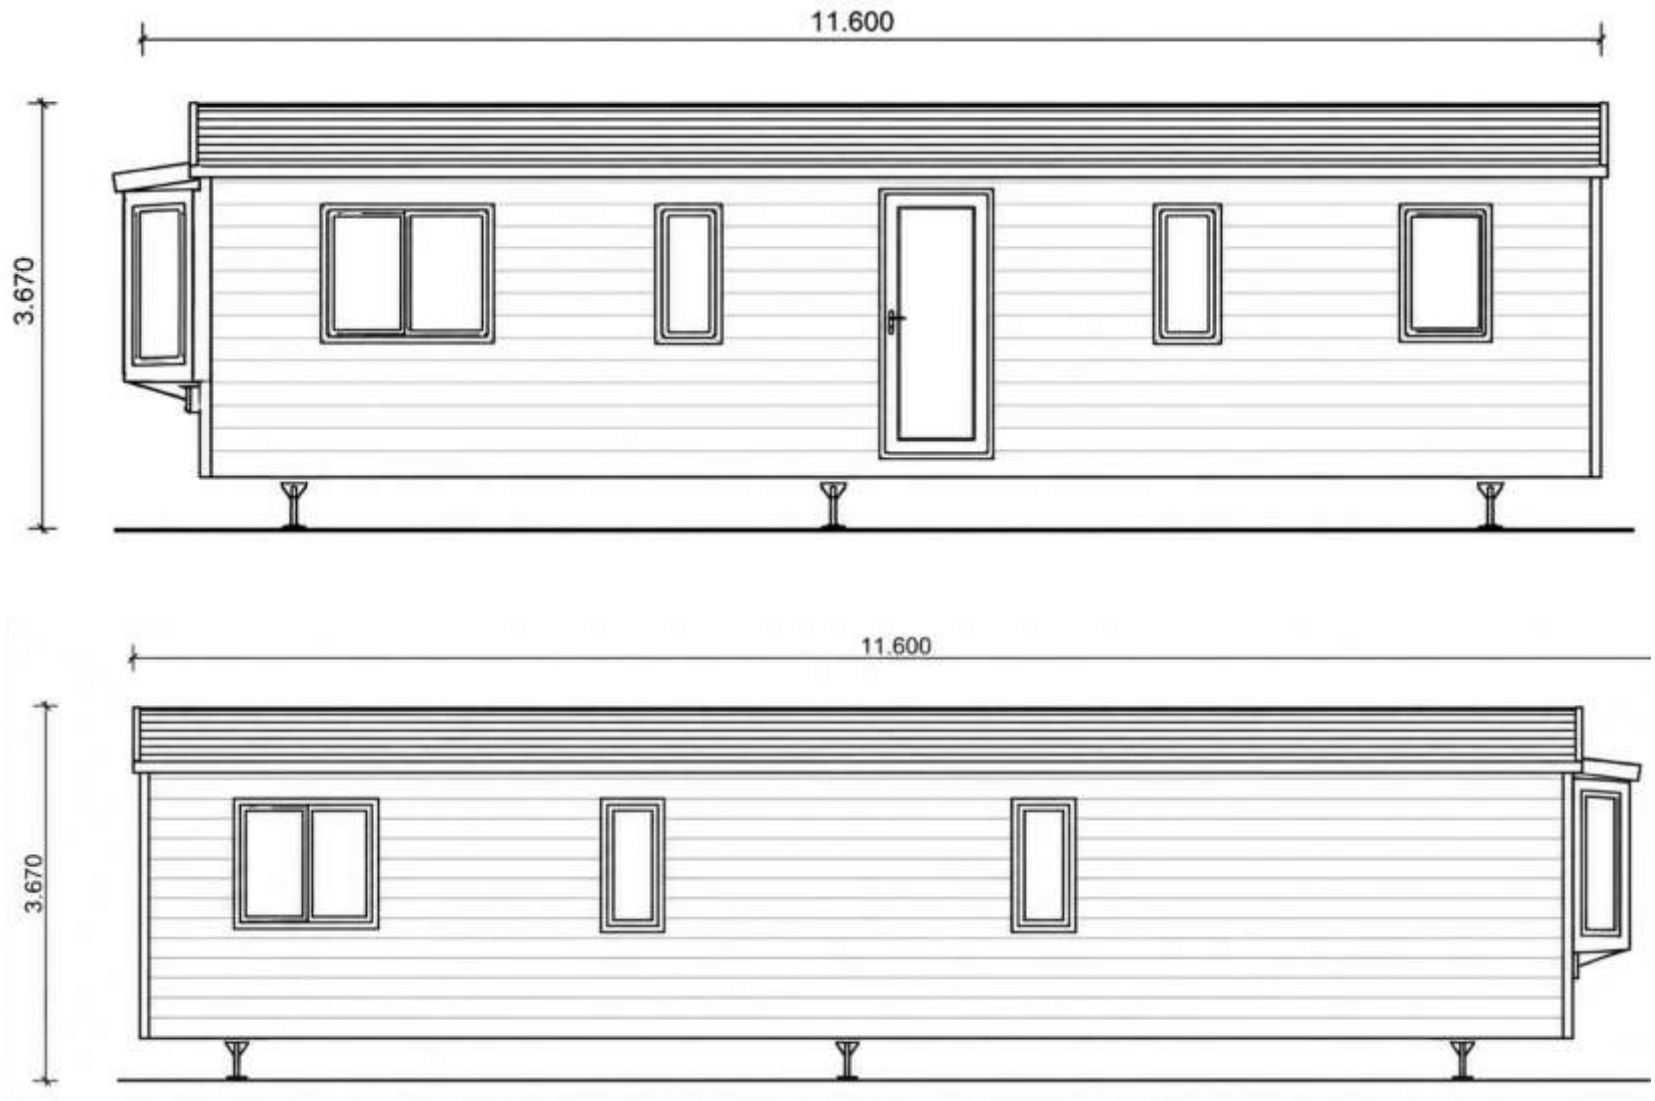

Please note that proposed static caravan dimensions are indicative and based on standard 3-bedroom agricultural workers' unit sizes. The final specification will be within the stated maximum dimensions of 11.58m x 3.66m.

Front elevation – 1:100

Rear elevation – 1:100

Side elevations – 1:100

Scale 1:100 @ A4 (indicative only – all dimensions shown on drawing)
