ROUND WINDOW AND HEADER-BRICK SURROUND DETAIL

DIMENSIONS

HEADER BRICKS LAID RADIALLY

MATERIAL / APPEARANCE NOTES

- Circular glazed window: 600mm diameter including frame.
- Brick surround: 820mm outside diameter.
- Surround bricks are headers laid radially.
- Mortar joints point towards the window centre.
- Brick and mortar finish to match garage brickwork.
- Same detail applies to both gable ends.
- Final brick count to suit actual brick and joint sizes.
