Date Received 28/10/2025

Decision Date 17/07/2026

2. The development shall only be carried out in strict accordance with the details shown on the following plan(s) and document(s):
Proposed site plan dwg no. L01 REV D
Bike store details dwg no. L10
Proposed floor plans dwg no. L02 REV G
Proposed elevations dwg no. L03 REV G
Proposed sections dwg no. L04 REV C
Location plan dwg no. L06 REV A

3. No development shall take place until an Arboricultural Method Statement has been submitted to and approved in writing by the Local Planning Authority. No development or other operations shall take place except in strict accordance with Method Statement as is approved. The Method Statement shall include the following: 1) A specification for tree protection fencing and ground protection measures that comply with British Standard 5837:2012;
2) A Tree Protection Plan showing the location of the trees to be removed and retained with their crown spreads, Root Protection Areas, Construction Exclusion Zones, and location of protective fencing and ground protection measures accurately plotted;
3) A full specification for any access, driveway, path, underground services or wall foundations within retained tree Root Protection Areas or Construction Exclusion Zone , including any related sections and method for avoiding damage to retained trees;
4) Details of general arboricultural matters including proposed practices with regards to cement mixing, material storage and fires;
5) Details of the frequency of supervisory visits and procedures for notifying the findings of such visits to the Local Planning Authority;
6) Method for protecting retained trees during demolition works;
7) Details of all proposed tree works, including felling and pruning.

In pursuance of its powers under the Acts an Orders referred to below, the County Borough Council as Local Planning Authority, hereby determines your application in accordance with the particulars and plans comprising the application

Date Received 28/10/2025

Decision Date 17/07/2026

4. No part of the development shall commence until a landscaping scheme which includes a replacement tree replanting scheme at a ratio of 3:1 to those trees lost has been submitted to and approved in writing by the Local Planning Authority.

5. Landscaping shall be undertaken in accordance with the scheme submitted and approved in connection with condition 4. All planting, seeding or turfing comprised in the approved details of landscaping shall be carried out in the first planting (November to March) and seeding seasons following the first use of the development (April to September). Any trees, hedgerows or plants which, within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species

6. No development shall commence until a drainage scheme for the site has been submitted to and approved in writing by the Local Planning Authority. The scheme shall provide for the disposal of foul, surface and land water, and include an assessment of the potential to dispose of surface and land water by sustainable means. Thereafter the scheme shall be implemented in accordance with the approved details prior to the occupation of the development and no further foul water, surface water and land drainage shall be allowed to connect directly or indirectly with the public sewerage system.

7. The development hereby permitted shall not be occupied until the measures to deliver net benefit for biodiversity (NBB) detailed in Biodiversity Statement ref: C572/Biodiversity Statement/ 1.0 have been implemented in full. The measures shall thereafter be maintained for the lifetime of the development.

8. The development shall be carried out in strict accordance with the findings and recommendations contained within Bat and Bird Survey Report dated 16th June 2025. The mitigation and compensation measures hereby approved shall be fully implemented prior to first use of the development.

In pursuance of its powers under the Acts an Orders referred to below, the County Borough Council as Local Planning Authority, hereby determines your application in accordance with the particulars and plans comprising the application

9. Prior to first use of the development the site shall be laid out in strict accordance with layout plan(s) No. L01 REV D

10. No part of the development shall commence until further details of the proposed signage (Welsh over English) for the proposed layby (dropping off / collection point) have been submitted to and approved in writing by the Local Planning Authority. The signs shall clearly indicate that the layby is for dropping off & collection only ie/ no parking.

11. No development shall commence, including any works of demolition, until a Construction Traffic Management Plan has been submitted to, and approved in writing by, the Local Planning Authority. The approved statement shall be adhered to throughout the construction period.

12. The development shall not be occupied until a Service and Delivery Management Plan has been submitted to and approved in writing by the Local Planning Authority. Servicing and deliveries to the development shall take place in accordance with the approved Service and Delivery Management Plan.

Reason(s)

1. To comply with Section 91(3) of the Town and Country Planning Act, 1990.

2. To comply with Section 71ZA(2) of the Town and Country Planning Act, 1990.

3. To preserve the health, safety and amenity value of the tree(s) in accordance with Policies GDP1, PS11, EC4, EC5 and EC6 of the Wrexham Unitary Development Plan.

In pursuance of its powers under the Acts an Orders referred to below, the County Borough Council as Local Planning Authority, hereby determines your application in accordance with the particulars and plans comprising the application

Date Received 28/10/2025

Decision Date 17/07/2026

Note(s) to applicant

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848. Further information is also available on the Coal Authority website at: www.gov.uk/government/organisations/the-coal-authority

Following the commencement of Schedule 3 of the Flood and Water Management Act, the works as proposed are required to obtain approval from the SuDS Approving Body (SAB) prior to commencement of those construction works. Further details of the SAB, the new national standards, the pre-application advice service and the application for approval process can be found on the Wrexham CBC's SAB webpage: https://www.wrexham.gov.uk/english/planning_portal/sab/sab.htm or by contacting the SAB Team directly at SAB@wrexham.gov.uk

All works in relation to the implementation of this permission, including deliveries to and /or leaving the site, should be undertaken only between the hours of 07.30 to 18.00 Monday to Friday, 08.00 to 14.00 on a Saturday, and at no time on a Sunday or a Bank Holiday. Outside these times, any works which are audible beyond the site boundary have the potential to cause unreasonable disturbance to neighbouring premises.

The applicant is advised that the Council has the option to control construction noise by serving a Control of Pollution Act 1974, Section 60 Notice where deemed necessary, and failure to comply with such a Notice can result in prosecution.

The applicant is further advised that any complaints received relating to noise of any type from the development may also be investigated using the Council's Standardised Procedure for Dealing with Noise Nuisance Complaints. This is done under the Statutory Nuisance provisions provided within the Environmental Protection Act 1990, and legal action may be taken where appropriate.

In pursuance of its powers under the Acts an Orders referred to below, the County Borough Council as Local Planning Authority, hereby determines your application in accordance with the particulars and plans comprising the application

Decision Date 17/07/2026

The applicant must adhere to the times given above wherever possible. If, however, there are urgent or unavoidable circumstances requiring work outside of the specified times, permission to proceed may be sought by contacting Environmental Health & Housing Standards at healthandhousing@wrexham.gov.uk or 01978 292040. Please use the same contact details for any other enquiries regarding construction / demolition site noise.

Burning of waste generated from construction activities is not considered to be an appropriate method of disposal and action may be taken as follows:
- Under the Environmental Protection Act 1990 anyone found disposing of construction site waste by burning is likely to be in breach of their duty of care with regard to waste disposal;
- Under the same Act an abatement notice may be served where smoke is judged to be causing a nuisance to neighbouring properties. Failure to comply with the requirements of the notice can result in prosecution;
- Under the Clean Air Act 1993 it is an offence for a commercial activity to burn anything that gives rise to dark smoke.

To prevent offences under the above named Acts there should be no bonfires on the site, to include the prohibition of the burning of cleared vegetation. The applicant should contact the Council's Environmental Health & Housing Standards Team on healthandhousing@wrexham.gov.uk or 01978 292040 for further advice and information.

The Applicant is advised that under the dust from construction and / or demolition activities can be judged to be causing a statutory nuisance to neighbouring properties. A legal notice can be served requiring that any dust nuisance is abated, and failure to comply with the requirements of the notice can result in prosecution. The applicant should contact the Council's Environmental Health & Housing Standards Team on healthandhousing@wrexham.gov.uk or 01978 292040 for further advice and information.

The applicant's attention is drawn to item nos. 1, 2, 3, 4 & 5 of the supplementary notes.

In pursuance of its powers under the Acts an Orders referred to below, the County Borough Council as Local Planning Authority, hereby determines your application in accordance with the particulars and plans comprising the application

Decision Date 17/07/2026

Highways Development Control Standard Advisory Note In the interests of maintaining highway safety, and to avoid obstruction of the public highway (in contravention of the Highways Act), The Applicant is advised to coordinate with the highway authority at highwayroadworks@wrexham.gov.uk in advance of commencement of the development/works with respect to:

1. Skip, scaffolding, hoarding or A frame/signage (Permit required for these items, if on the public highway);
2. Use of a parking space for a set down/delivery area;
3. Record a dilapidation survey of the adjacent carriageway prior to commencement (to avoid being ask to repair damage by the Applicant whilst carrying out their works);
4. If any lane closure or obstruction of the highway is required for a crane or similar;
5. Protection against dust and debris blowing onto the public highway
6. Construction traffic parking locally avoiding nuisance to others;
7. If the Applicant's scope of work includes new apparatus in the highway, such as new mains services then a Section 50 licence will be required. Insurances and demonstration of competency to carry out works in the public highway will be required.
8. Lowering of kerbs or minor pavement alterations require Section 184 / 171 agreement. Insurances and demonstration of competency to carry out works in the public highway will be required.
9. A section 278 agreement works agreement is required for more significant alterations to the existing highway
10. Any temporary works affecting traffic lights, [pedestrian/cycle road crossings, or bus stops require pre-planning and permits;
11. For applications with a private driveway (either existing or proposed) connecting onto the public highway, the following conditions of approval apply:
• No surface water from the applicants site should be allowed to drain onto the public highway,

In pursuance of its powers under the Acts an Orders referred to below, the County Borough Council as Local Planning Authority, hereby determines your application in accordance with the particulars and plans comprising the application

Applicant Mr. Alistair Aldridge

Agent Mr Toby Southgate

Reference P/2025/0828

Date Received 28/10/2025

Decision Date 17/07/2026

• The first 5m* minimum (for residential property) should be hard paved, avoiding gravel or loose chippings form spreading. • No gate should be built in a location where it would result in a car obstructing the highway whilst being unlocked, and it should not swing out and over a pavement or any other part of the highway. *The hard paved length and set back if required is subject to the applicants proposed vehicular length The applicants should allow a minimum of 4 weeks' notice for any of the above standard requirements, and 6-8 weeks for lane closures & road closures (lead times may change without notice subject to workload and complexity). Any works involving Trunk roads should be coordinated separately and directly with the North & Mid Wales trunk Road Agency. For larger sites with a significant impact upon the highway, a Construction Traffic Management Plan will be required.
