Annwyl Syr/Madam/Dear Sir/Madam,

Bwriad/Proposal: Sitting of static caravan for use as rural worker accommodation, access track, and cycle parking area

Lleoliad/Location: Vron Farm, Llewelyn Road, Tanyfron, LL11 5TW

Thank you for consulting Cyfoeth Naturiol Cymru/Natural Resources Wales (NRW) about the above, which we received on 12 July 2026.

We have **no objection** to the proposed development as submitted and provide the following advice.

Protected Sites – Foul Drainage

We note the application site is within the catchment of the River Dee and Bala Lake Special Area of Conservation (SAC). In line with our Advice to Planning Authorities for Planning Applications Affecting Nutrient Sensitive River Special Areas of Conservation, under the Habitats Regulations, Planning Authorities must consider the impact of proposed developments on water quality within SAC river catchments.

However, recognising the specific nature of the application submitted which appears to meet the screening criteria set out in our Advice, we are satisfied that there is unlikely to be a source of additional nutrients and/or a pathway for impacts. As such, in our opinion, it would be reasonable for your Authority to screen out this proposal as not likely to have a significant effect on the River Dee and Bala Lake SAC in relation to nutrient inputs.

We also refer you to Section 13 of our advice, "Will separator (compost) toilets increase nutrient discharges to SAC rivers?", which provides further guidance on the circumstances in which separator (compost) toilets may need to be considered as a potential source of nutrient discharge to SAC rivers.

Other matters

The advice in this letter relates to matters which are included on our consultation topics list. We do not rule out the potential for the proposed development to affect other environmental interests that are not included on this list.

We advise the applicant that, in addition to planning permission, it is their responsibility to ensure they secure all other permits/consents/licences relevant to their development. Please refer to our website for further details.

If you have any queries about the above, please do not hesitate to contact us.

Yn gywir / Yours faithfully,

Inoka Manatunga
