Annwyl Cyllunio,
Dear Planning,

We understand that the applicant's ecologist is currently updating the ecological information and intends to submit the revised documentation to the Local Planning Authority once it is complete. In light of this, NRW will close this consultation case at this stage and await reconsultation from the Local Planning Authority following submission of the updated information. Please do not hesitate to contact us should you require any further assistance in the meantime.

Kind Regards
Callum Whitehead
