no objections to the principle of the extension and garage. However, the extension would have to be reduced in size so that it is clearly subsidiary to the original dwelling and would not result in an increase of more than one third in floor area of the original dwelling. This was to comply with Local Plan policy, this LDP has been withdrawn and the policy no longer applicable.
The garage would also have to be reduced in size as unlikely to be supported if two storey

The garage is not subject of this application. The two storey extension is designed in line with permitted development allowance and adheres with UDP policy.
