Annwyl Syr/Madam/Dear Sir/Madam,

Bwriad/Proposal: Listed building consent for demolition of rear extension and replacement rainwater goods

Lleoliad/Location: Plas Newydd, Pont Adam, Ruabon, Wrexham, LL14 6DU.

Thank you for consulting Cyfoeth Naturiol Cymru/Natural Resources Wales (NRW) about the above, which we received on 04 September 2026.

We have **no objection** to the proposed development as submitted and provide the following advice.

Protected Species

We note that the information submitted in support of the above application (Bat and Bird Nesting Bird Assessment by P J Ecological Solutions, dated September 2026) has identified that bats are unlikely to be using the application site. We therefore have no comments to make on the application as submitted in respect of bats.

We recommend that you discuss the need to secure further measures and avoidance measures with your internal ecological advisor.

Protected Sites and Foul Drainage

The application site is within the catchment of the River Dee and Bala Lake Special Area of Conservation (SAC). In line with our Advice to planning authorities for planning applications affecting nutrient sensitive Special Areas of Conservation, under the Habitats Regulations, planning authorities must consider the impact of proposed developments on water quality within SAC river catchments.

However, recognising the specific nature of the application submitted which meets the screening criteria set out in our Advice, we are satisfied that there is unlikely to be a source of additional nutrients and a pathway for impacts. As such, in our opinion, it would be reasonable for your authority to screen out this proposal as not likely to have a significant effect on the River Dee and Bala Lake SAC in relation to nutrient inputs.

Other matters

The advice in this letter relates to matters which are included on our consultation topics list. We do not rule out the potential for the proposed development to affect other environmental interests that are not included on this list.

We advise the applicant that, in addition to planning permission, it is their responsibility to ensure they secure all other permits/consents/licences relevant to their development. Please refer to our website for further details.

If you have any queries about the above, please do not hesitate to contact us.

Yn gywir / Yours faithfully,

John Littlemore
