

EH.04 - Proposed Plan
1:10 @ A1

OP.02
Existing fanlight currently boarded over. Boarding to be removed during opening up works to allow for inspection and to finalise design of replacement glazing.

Replaced with clear glazing (not fire resisting). Glazing as per NBS

EH.04 - Proposed elevation *(open position - during normal operation)*
1:10 @ A1

EH.04 - Proposed elevation *(closed position - in the event of an emergency)*
1:10 @ A1

Image 1 - View of Opening, indicating area of partition and screen,

Image 2 - View of existing doorway / archway above

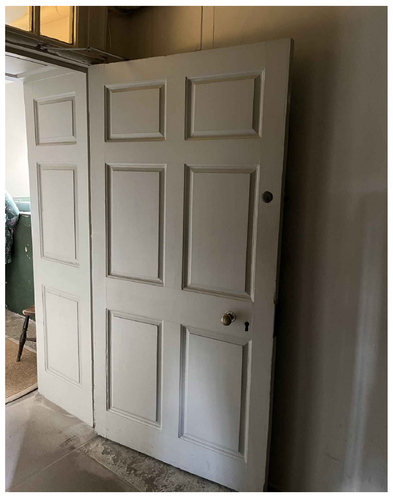

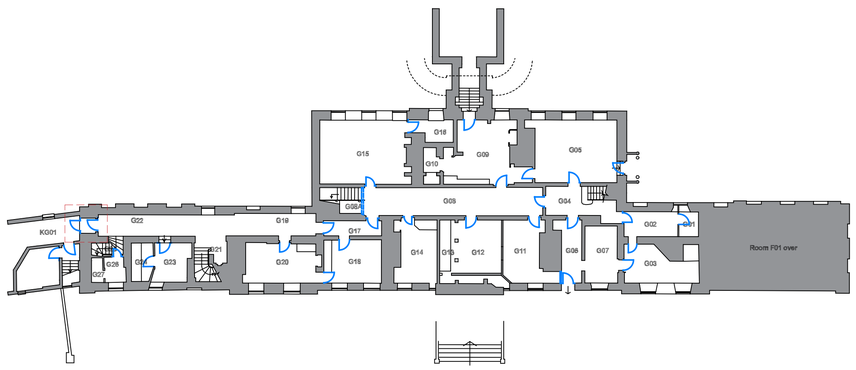

Image 3 - Precedent panelled door for dimensions - Door 20 - Ground Floor main house - between G19 & G17 Fanlight above this door also used as precedent for glazing..

Key Plan - Mansion House - Ground Floor
NTS @ A1

KEY

DA - Door Alterations
DB - Distribution Board
FS - Fire Stopping
EH - Erddig Hall Interventions
OP - Opening Works

Notes

1. Any dwg format drawing is to be read in conjunction with and at the scale of the accompanying pdf.
2. Where colours other than black or grey are used, the drawing must be plotted in colour.
3. For status 'C' (Construction) drawings all dimensions are to be checked on site by the contractor, scaling is for Local Authority purposes only.
4. Unless otherwise indicated, all dimensions are in millimeters.
5. All information on this drawing is to be read in conjunction with the relevant Donald Insall Associates specification and trade contractors' drawings and information by specialists.
6. In the event of any discrepancy, please contact us immediately.
7. This drawing may contain survey information by others and is to be used solely for the purposes for which it was issued.
8. These are uncontrolled documents issued for information purposes only. If you have any queries regarding the drawings, please contact DIA immediately.
9. Please note DIA cannot be held responsible for any errors arising from changes made to an uncontrolled dwg file.
