MEMORANDUM

From:	Chief Officer, Environment & Technical	**To:**	Chief Officer Economy & Planning
		FAO:	Jenni Perkins
Our Ref:	ET/DC/DB/P/2026/0475	**Your Ref:**	P/2026/0475
Date:	07/10/2026		

Reference: P/2026/0475

Proposal :DYMCHWEL HEN ADEILAD PONT BWYSO A CHODI ADEILAD I'W DDEFNYDDIO FEL ADEILAD LLES I STAFF/DEFNYDDWYR Y CHWAREL/DEMOLITION OF FORMER WEIGHBRIDGE BUILDING AND ERECTION OF BUILDING FOR USE AS A WELFARE BUILDING FOR STAFF/USERS OF THE QUARRY

Location: FORMER WEIGHBRIDGE BUILDING, MAESYFFYNNON ROAD, MINERA, WREXHAM, LL11 3DE

I refer to your consultation / email dated 24 August 2026 in respect of the above.

The proposed demolition of the former weighbridge building is not adjacent to adopted highway land, although the road is accessible to public visiting the quarry and other nearby residences, so a condition ensuring maintaining safe access on both sides where public rights of way exist may be considered appropriate.

Subject to the demolition being controlled via a s80/81 notice managed by Wrexham County Borough Council Building Control department, the Local Highway Authority have no further comment to make.

(The Local Highway Authority adopted highway only extends as far west as Maes y Ffynnon Cottage)

Supplementary Notes

The applicant's attention should be drawn to item nos. 1, 2, 3, 4 & 5 of the supplementary notes.

Appendix

Highways Development Control Standard Advisory Note

In the interests of maintaining highway safety, and to avoid obstruction of the public highway (in contravention of the Highways Act), The Applicant is advised to coordinate with the highway authority at

highwayroadworks@wrexham.gov.uk in advance of commencement of the development/works with respect to:

1. *Skip, scaffolding, hoarding or A frame/signage (Permit required for these items, if on the public highway);*
2. *Use of a parking space for a set down/delivery area;*
3. *Record a dilapidation survey of the adjacent carriageway prior to commencement (to avoid being ask to repair damage by the Applicant whilst carrying out their works);*
4. *If any lane closure or obstruction of the highway is required for a crane or similar;*
5. *Protection against dust and debris blowing onto the public highway*
6. *Construction traffic parking locally avoiding nuisance to others;*
7. *If the Applicant's scope of work includes new apparatus in the highway, such as new mains services then a Section 50 licence will be required. Insurances and demonstration of competency to carry out works in the public highway will be required.*
8. *Lowering of kerbs or minor pavement alterations require Section 184 / 171 agreement. Insurances and demonstration of competency to carry out works in the public highway will be required.*
9. *A section 278 agreement works agreement is required for more significant alterations to the existing highway*
10. *Any temporary works affecting traffic lights, [pedestrian/cycle road crossings, or bus stops require pre-planning and permits;*
11. *For applications with a private driveway (either existing or proposed) connecting onto the public highway, the following conditions of approval apply:*

    - *No surface water from the applicants site should be allowed to drain onto the public highway,*
    - *The first 5m* minimum (for residential property) should be hard paved, avoiding gravel or loose chippings form spreading.*
    - *No gate should be built in a location where it would result in a car obstructing the highway whilst being unlocked, and it should not swing out and over a pavement or any other part of the highway.*

    **The hard paved length and set back if required is subject to the applicants proposed vehicular length*

The applicants should allow a minimum of 4 weeks' notice for any of the above standard requirements, and 6-8 weeks for lane closures & road closures (lead times may change without notice subject to workload and complexity). Any works involving Trunk roads should be coordinated separately and directly with the North & Mid Wales trunk Road Agency. For larger sites with a significant impact upon the highway, a Construction Traffic Management Plan will be required.

On behalf of Chief Officer, Environment & Technical
